## TWO MEN PAINFULLY INJURED RESULT AUTO ACCIDENT

**Pedestrians Struck by Car Driven by Los Angeles Man on South Brand**

Everett Pinkham is in the Glendale Sanitarium and Hospital recuperating from severe contusions and William Carlisle bears severe lacerations as the result of being hit last night by an automobile driven by Clarence Crane of Los Angeles, who was driving south on Brand boulevard opposite the Glendale Theatre.

Due to the slow speed of the car neither man was seriously injured and the accident would be considered unavoidable.

Pinkham and Carlisle had just left the Glendale Theatre to walk directly across Brand boulevard to their own machine. They were discussing the fact that Harry Carey, for once in his real life, won the girl he went after. With their minds preoccupied they got in front of the "flivver" which laid them low.

### How It Happened

Mr. Crane, who was driving along at a very moderate rate, was accompanied by Mrs. E. S. Haines of Los Angeles and her two children. They had been visiting Mr. Haines who is ill in the Glendale Research Hospital. The latter will be taken to his home this week-end.

"What bright little shops there are here," commented Mrs. Haines as they rolled along the boulevard.

"Glendale is a good town," replied Mr. Crane.

Then came the crash. Pinkham was struck by the fender and Carlisle was cut by the right front light. Both men are working at the Ross ranch.

Mr. Crane immediately gave aid to the men and reported to Captain Thomas McGuire of the police department.

## COUPLE TO WED FRIDAY

Glendale's younger social set is looking forward to the wedding of Miss Mildred Sternberg of West Palmer avenue to Al Moniot of 414 West Los Feliz road, which will take place Friday afternoon in this city. Both are well known in Glendale, Miss Sternberg having lived here all of her life, and the groom-to-be having been a local resident for the past fourteen years.

Following the wedding Mr. Moniot and his bride will motor to the Yosemite valley, where the former will attend the annual state convention of the American legion as a delegate from the local post. After the convention they will continue on their automobile tour as far north as Seattle, where they will visit friends and relatives. The newly-weds-to-be will return to Glendale about Sept. 20, and will make their permanent home here.

## MRS. F. J. ROGERS HOSTESS

The members of the Wednesday Afternoon Bridge club were entertained at luncheon yesterday at the home of Mrs. F. J. Rogers, 535 North Kenwood street. Decorations of marigolds and corn flowers were used. The dining table was lighted with blue candles. High score was made by Mrs. Robert Pease, Miss Anna McIntyre being awarded guests prize. Guests for the afternoon included Mrs. Reed Heustis, Miss Anna McIntyre, Miss Gies, Mrs. Walker and Mrs. Draper. Members present included Mrs. C. C. Carroll, Mrs. Harry Powers, Jr., Mrs. E. E. East, Mrs. Frank George, Mrs. Robert Pease of Los Angeles, Mrs. Charles Meadows and Mrs. F. J. Rogers.

## CHINA MISSIONARY HERE

Mrs. R. D. Goss of 516 East Harvard street entertained yesterday in honor of Kate L. Ogborn of Wuhu, China. Miss Ogborn has been in China as a missionary for thirty years. Other guests present were Mr. and Mrs. W. H. Cook of Hollywood, Mr. and Mrs. Earl Bryant of Portland, Ore., and Mrs. Emma Burkett of Glendale. All of these were former residents of New Sharon, Iowa, and have been friends of long standing. Mr. Bryant is now connected with The Portland Oregonian.

## COME HERE FROM NORTH

Mr. and Mrs. M. R. Heck and their five children arrived this week from Seattle, Washington, and have located at 323 East Broadway. The trip from the northwestern city was made via automobile and lasted several weeks, the party having taken its time and visiting numerous points of interest en route. Mr. Heck, who was engaged in the typewriter supply business in Seattle, plans to enter the same line in Los Angeles in the near future.

## CHARLES FINDLEY'S COASTER FIRST IN HILL RACE

**Weight of 'Driver' Causes Top Speed; Plenty of Thrills Provided**

Charles Findley of 125 North Brand boulevard, weight 118 pounds, won the great coaster race on Grand View hill yesterday afternoon amid the cheers of more than 100, mostly youthful speed enthusiasts.

Dean Brecht of 204 Arden avenue, weight eighty pounds, came in second, wrecking his wagon at the finish by crashing into an automobile standing by. He was uninjured, getting out of the mixup with only one concern, "Look at my machine."

Harry Chasse was third with ninety pounds of weight to roll his miniature racer down the hill. He lives at 615 North Orange street.

Gordon Carline of 1332 North Columbus avenue finished fourth and William Simpson, who resides with Mr. and Mrs. C. G. Woods on Grand View avenue, came in fifth in the final. He suggested the race.

### Here Are Rewards

Here is how the prizes were awarded:

Charles Findley, \$5 cash.  
Dean Brecht, two books.  
Harry Chasse, one book.

The only casualty reported other than Brecht's broken machine was Don Kemnitz who took a bad spill.

## BACK FROM CAMPING TRIP

Dr. and Mrs. W. G. Wheatley of Glendale have returned from a two months' camping trip in the Yellowstone and Yosemite, and are stopping with Mrs. Wheatley's parents, Mr. and Mrs. R. D. Topliff, 327 Salem street. While in Sacramento Dr. Wheatley passed the state board medical examinations and is planning to practice in Azusa this coming winter. Mrs. Wheatley has signed a contract to teach music in the public schools of Azusa, so they will make that city their home. Mr. and Mrs. Wheatley own considerable property in Glendale and will remain in this city long enough to see that it is all in good order.

## ENTERTAIN HOUSE GUESTS

Mr. and Mrs. J. R. Maxwell of 202 West Park avenue are entertaining as their house guests Mr. and Mrs. M. A. Maxwell of Colorado Springs, Will Whittaker of Gardner, Kan., and Mr. and Mrs. Ed Mitchell of Stockton. They are planning a number of beach and mountain trips to entertain the visitors, including a three-day trip to San Diego. Mr. and Mrs. Maxwell of Colorado and Mr. Whittaker plan to remain in Glendale about two weeks and will get in all the sight-seeing possible in that time.

## MARJORIE WEYAND HERE

Mr. and Mrs. C. M. Weyand, who recently located at 925 North Louise street are happy in the arrival of their daughter, Miss Marjorie Weyand, who came to Glendale last week from the former family home, in Denver, Colo. Miss Weyand is secretary and assistant to her father in his office as manager of the Southern California Metropolitan Loan association, the offices of which are located at 113 West Broadway. Mr. and Mrs. Weyand and family spent the past week-end at San Diego.

## MISSIONARY WILL LEAVE

Miss M. A. Spencer, a retired Japanese missionary, who has spent the winter with Rev. and Mrs. Julius A. Soper of 1305 North Maryland avenue, has engaged passage on the Shinyo Maru and sails from San Francisco next Tuesday. Miss Spencer is spending part of this week visiting friends in Hollywood. She has made many friends in Glendale and during her stay here and was recently entertained at the Casa Verdugo Methodist church with a very pleasant farewell party.

## ENGLISH TEACHER VISITOR

Miss Alice Vail, superintendent of the English department in the Tucson High school, was a week-end guest in the home of Mrs. L. L. Woods of 401 East Colorado boulevard. Miss Vail has been touring California for the past six weeks and is especially delighted with southern California and Glendale. She left Wednesday night for Tucson.

## LEAVE ON CAMPING TRIP

Mr. and Mrs. Arthur Pomeroy and son, Ernest, of 817 Ross street, leave today for a three weeks' camping trip in the Big Basin and the Yosemite valley. They will motor first to San Francisco for a few days and on their return trip will spend a little time in Berkeley and Oakland visiting relatives and friends.

## F. A. CLARKE WILL LEAVE TODAY ON EASTERN TRIP

**Business Man Will Obtain Latest Equipment for New Store In Los Angeles**

F. A. Clarke, principal in the F. A. Clarke Electric company which operates seven stores in Southern California cities, leaves his home here at 351 Oak street today for an eastern trip which will take him to all of the larger industrial centers of the east. Included in his itinerary are New York, Chicago, Philadelphia, Pittsburgh, Syracuse and Detroit.

Mr. Clarke's purpose in going east at the present time is to get the latest in the way of things electrical as he is opening a new store on Broadway in Los Angeles. It will be located in the new State theatre building and be one of the finest retail electric show rooms in the city.

"Business is very good," said Mr. Clarke to a representative of The Glendale Evening News this morning. "And I anticipate a record fall and winter business at our stores, especially the one at 310 East Broadway, Glendale."

### Here's Coincidence

An unusual coincidence came in Mr. Clark's visit to The Glendale Evening News office this morning. Here he met Paul Hoffman, who is interested in the Fashion Center to be established immediately above Mr. Clarke's store at 713 South Broadway in the new Loew theatre.

As an example of the scale on which business is being done by Los Angeles stores, the rental for the second floor location of Fashion Center will amount to approximately \$250,000 during the life of the lease.

When the two merchants were introduced Mr. Hoffman said:

"It would have been fine if the construction had permitted the installation of an escalator from your store up to ours."

## FIRST IN MONO COUNTY

L. C. Brand's limousine airplane is the first flying machine to enter Mono county, an almost inaccessible spot. G. C. Budwig, the intrepid pilot, went up to Mr. Brand's lodge in the Tioga pass country the first of the week. F. W. Pomeroy accompanied him there and Mr. Brand came back. The outbound trip from the hangar here was made in two hours and fifty-two minutes, and the return flight took three hours. A day and a half hard driving in a motor car is required otherwise.

A landing field recently has been completed at Mr. Brand's summer home which makes possible his daily trips to Los Angeles, if necessary.

## J. G. HUNTLEY TO RETURN

J. G. Huntley and party left Camp Lolomai in the Giant Forest yesterday for Visalia and Fresno en route home. They expect to be in Glendale the latter part of the week. "We have enjoyed The Glendale Evening News," writes Mr. Huntley, "receiving it each day following date of publication." Many others are taking advantage of the vacation "follow up" service given by this paper.

## BACK FROM TRIP NORTH

Mrs. W. S. Caldwell and daughters, Miss Agnes and Miss Eunice Caldwell of 326 West Wilson avenue, returned Wednesday afternoon from a two months' trip to Twin Falls, Idaho and Yakima, Washington, where they visited relatives. They made the trip north by train and the return trip by boat, sailing from Seattle. The Caldwells have been away since June 21.

## PLAN FOR MOTOR TRIP

Mr. and Mrs. J. F. Torrey and children, John, Emma and Cecil, of 218 West California avenue were visitors recently at the home of Mrs. Torrey's sister, Mrs. Robert McAdams, at Palmdale. The children are remaining there for some time. Mr. and Mrs. Torrey returned to Glendale and are making preparations to leave Saturday on their vacation. They will motor up into northern California.

## VISITORS AT ARROWHEAD

Mrs. H. James Smith of Oakland and Miss Ruth Hoffman of San Francisco, who were the house guests of Mrs. Emma Burkett of 518 East Harvard street, for the past few weeks, are spending several days at Arrowhead Springs.

## ENTERTAIN AT LUNCHEON

Mr. and Mrs. Charles Pierce and Mr. and Mrs. C. T. Richards of Santa Monica were luncheon guests Tuesday of Mrs. Francis Gaede of Hotel Tropico, 1513 South San Fernando road.

## C. OF C. DRIVE FOR MEMBERS MEETS ENTHUSIASM

**Constructive Record Made by Organization Gets Full Support of Citizens**

E. F. Sanders, assistant secretary of the Glendale Chamber of Commerce, is meeting ready response in the drive for a "Hundred More" members in that organization. While the board of directors were gratified Tuesday to approve twenty-six applications he had brought in, it is his expectation that he will have as many and more for next Tuesday's meeting.

Mr. Sanders wishes to impress upon the business men and others who take an interest in civic enterprise what the Chamber of Commerce means and The Glendale Evening News is enabled through the courtesy of James M. Rhoades, secretary, to list many of the accomplishments since reorganization last March.

An active membership of 550 loyal citizens are in a position to serve their city, an increase of almost 100 members in five months' time.

### Doing Great Work

The organization has distributed thousands of booklets throughout the country by means of reciprocal organizations; it has had all of the local manufacturers enrolled in a national directory; 300 Glendale pennants have been distributed to motorists going to all parts of the country this summer; 3000 inquiries have been answered by mail; fifty inquiries daily are answered at the office; an immense amount of publicity has been given the "fastest growing city in America" through the newspapers and magazines, and most important of all, probably, is the fact that fifty map makers over the country have changed their plates to read "Glendale" instead of "Tropico," which was absorbed by this city several years ago.

### Civic Accomplishments

In the way of civic accomplishments, the swimming pool bonds were carried, widening of Brand boulevard at San Fernando road obtained, a flagman secured for the Southern Pacific crossing at Brand boulevard, 2000 citizens were registered to vote at the Chamber's headquarters, the Citizens Building corporation formed and a Chamber of Commerce building started, a clean-up day conducted, Christian Endeavor convention and visiting Elks entertained.

Among the many things before the organization at the present time is the Greater Glendale Merchants' Exposition, the San Fernando Valley Fair, the independent postoffice, tourist hotel, opening of Patterson avenue and many other minor matters.

### Helped To Keep Fleet

In the way of general accomplishment the Glendale Chamber of Commerce aided in keeping the headquarters of the Pacific fleet at Los Angeles Harbor and became a member of the United States Chamber. This definitely shows what is being done and has been accomplished in a few brief months during the dull part of the year.

With Mr. Rhoades and Mr. Sanders at the helm and a board of directors headed by C. C. Cooper, president of the First National bank, the potentialities of such an organization are unlimited.

"There are certain things which we must not do," said Mr. Rhoades to a representative of The Glendale Evening News this morning. "We must not mix into religion or politics and we will not advance personal business enterprises. Our committee already has saved hundreds of dollars to local business men by approving or disapproving advertising projects."

## G. R. POSTLE BUYS HOME

George R. Postle, formerly of Elgin, Illinois, and now of Los Angeles, has purchased the beautiful five-room house at 501 Patterson avenue from Mrs. E. P. Ransom and will take possession about the first of September. The sale was made through the agency of Mrs. Edith May Osborne of 210 West Doran street. Mrs. Ransom will build a residence on North Maryland avenue.

Mr. Postle is a member of the Postle Company of architects and structural engineers of Los Angeles and was a member of the graduating class of 1920 from the Illinois university. His fiancé is coming from the east some time this month, and after their marriage they will move to their new home in Glendale.

## SOUTH DAKOTA RESIDENT

Mrs. Margaret Bailey of Aberdeen, South Dakota, is visiting for several days at the home of Mr. and Mrs. D. E. Reed of 331 West Myrtle street.

## Today's World News In Brief

(By United Press to Glendale Evening News)

**WILLIAM J. BURNS TO HEAD U. S. INVESTIGATORS**  
WASHINGTON, Aug. 18.—Appointment of William J. Burns to head the bureau of investigation of the department of justice was announced today by Attorney General Daugherty.

**PROPOSES HOSPITAL FOR VETERANS AT SANTA MONICA**  
WASHINGTON, Aug. 19.—Construction of a \$1,500,000 hospital at Santa Monica, California, for veterans of all wars was urged before the house public buildings and grounds committee by Representative Osborne, California.

**RAILROAD FUNDING BILL IS REPORTED TO HOUSE**  
WASHINGTON, Aug. 18.—The administration's railroad funding bill was reported by the house interstate commerce committee today with several members opposing it. Plans of house leaders are to pass the bill before the congressional recess.

**EXPECT ALLEGED MURDERER TO MAKE CONFESSION**  
SAN FRANCISCO, Aug. 18.—Officers today were closely watching William Hightower, held for the alleged murder of Father Patrick Heslin, for two things: They feared he might suffer a mental breakdown. And they thought he might turn to the typewriter and pad of paper with which he should be furnished and write a confession. Up to early today, however, neither of those two things had happened.

**IRISH REPUBLICAN TROOPS CALLED OUT TO GUARD**  
DUBLIN, Aug. 18.—Armed troops of the Irish republican army were called out to guard the Mansion House this afternoon while the Dail Eireann went into secret session. Huge crowds, among whom it was feared might be British "spotters" surrounded the building where the secret deliberations which were to determine the fate of Ireland were in progress. Sinn Fein troops guarded Lane's Down which the delegates walked to enter the Mansion House.

**MEXICAN PETROLEUM BECOMES LEADER IN TRADING**  
NEW YORK, Aug. 18.—Mexican Petroleum became the speculative leader at the start of today's trading as the result of continuation of the favorable impression created by publication of its earnings for the first six months of this year. The stock after losing 3/4, at 93 at the start, quickly rallied to 94 3/4, a gain of 6 1/2 from the low of yesterday. U. S. Steel advanced to 74 3/8, compared with yesterday's low of 73 3/8. Northern Pacific was up 1/2 at 76 1/2, and Sears-Roebuck at 63 1/2 showed a gain of 5/8.

## U. S. MAY SEEK MONEY FROM GERMANY FOR LOST LIVES

BERLIN, Aug. 18.—Reparation for American lives lost in the great war is one of the demands of the United States in drafting a treaty of peace with Germany, it was reported here today. The demand and others stirred resentment of German leaders, but they were prepared eventually to accede to all of them and sign the treaty as early as possible. Germany, however, takes the position according to authoritative statements that she cannot assume any more obligations than are contained in the Versailles treaty. Neither group of negotiators would state whether the United States is asking reparation for lives lost in the sinking of the Lusitania.

## KEEPING FLASKS OUT OF HIP POCKETS, IS PROBLEM

SAN FRANCISCO, Aug. 18.—The National Women's Christian Temperance union convention started its consideration of the best means of keeping flasks out of hip pockets today. "Making the United States dry as dust within ten years" is the announced purpose of the organization and plans for its consummation will be laid during the next few days. Miss Anna Gordon of Evanston, Illinois, presided at the opening session which was to be brief and routine in nature. The big event of today will be the speakers' contest when fourteen prize speakers among the delegates will deliver addresses. "Temperance in all things" being a motto of the organization, each speaker will be limited to three minutes.

## ENGLAND HOPES IRELAND WILL DECIDE FOR PEACE

LONDON, Aug. 18.—England still clung today to the hope that the Dail Eireann would not take the responsibility for once more plunging Ireland into war. Two propositions were expected from the Sinn Fein parliament. It was believed the Dail will either: Reject the British offer and put forward counter proposals leading to the renewal of conferences here; or: Refer the question to a plebiscite of the people. The reasons of England's hope today were: First—Despite uncompromising statements, the Sinn Fein official bulletin last night said: "The road is still clear for an honorable understanding." Second—The belief that a plebiscite will result in acceptance of the British offer. Third—Sinn Fein's knowledge that renewal of war will mean the obliteration of Sinn Fein.

## DISCUSS PEACE OFFER AND MAKE WAR PREPARATIONS

DUBLIN, Aug. 18.—While Ireland and England rushed preparations for renewed war, the Dail Eireann went into secret session today to frame its acceptance or rejection of Lloyd George's peace offer. It seemed a foregone conclusion the offer would be spurned, but whether the British government will consider that grounds for terminating the truce remained in doubt. As the Sinn Fein parliament met behind closed doors in the Mansion House, sentries of the Irish republican army paced up and down the corridors. Only a few blocks away there were scenes of activity around black and tan barracks. Hundreds of khaki clad British soldiers were arriving on every train that pulled into the railroad stations. Members of the Dail Eireann arriving at the Mansion House for the secret session in which they were to determine the fate of their country looked serious and worried. "Mickey" Collins was a center of interest for a crowd which gathered early to await news and rumors. It was felt that largely in the hands of this mild mannered man, long feared by the English as the most daring leader of Sinn Fein arms lay the decision for peace or war. The present closed session which will determine the issue may last until next week, members of the Dail said.

## HIGH SCHOOL FIELD CHOSEN FOR SITE OF EXPOSITION

**Business Men's Show Will Have Excellent Setting; Big Tent Is Secured**

The Greater Glendale Exposition will be held on the Union high school athletic field, August 27 to September 3. This change in location was announced by Robert Cavenagh of the Pacific Coast Exposition company this morning.

A grand entrance covering 100 feet frontage on Brand boulevard, south of the Masonic temple, will lead to the school grounds where the great exposition tent will be pitched. A stairway will be built over the retaining wall of the athletic field.

The tent which houses the six score of exhibits is 310 feet long and 110 feet wide. It is one of the largest on the Pacific coast and can comfortably accommodate 15,000 visitors during a days' time.

### Board Give Consent

In selecting the high school gridiron and baseball diamond as a site for the show, Mr. Cavenagh stated that the lots on the corner of Harvard and Orange streets would have had to been graded and rolled, a very expensive operation.

The high school board gave its consent to the plans this morning and next week will see the "big top" in place, ready for the installation of displays. Practically all of the space has been contracted and the exposition here promises to be one of the most complete in the history of similar events staged in southern California. It is under the auspices of the Chamber of Commerce.

H. Elmo La Breque, director general, reports that Pomona is following Glendale's pace in co-operating with his organization in presenting a fair to the people of the Pomona valley. Marvin Greathouse is handling the preliminary work there.

## ANTELOPE VALLEY VISITORS

A. H. Lapham of 415 West Broadway, who is a member of the city council, Mr. H. Phillips of Los Angeles, Charles Wolff and L. W. Ball of Glendale returned recently from a visit to Little Rock, Antelope Valley. Mr. Lapham and Mr. Phillips each have a ten-acre ranch at Little Rock, the greater portion of which is set out to pears. Mr. Ball states that the ranches in that section are in excellent condition, that the crops are heavy and that the people in the vicinity of Little Rock seem to be prosperous.

Last year about fifty carloads of pears were sent out from the valley and this year there will be about 150 carloads. Mr. Lapham picked about 327 boxes off of his ranch and Mr. Phillips about 338. The pears can now be shipped to New York by the water route by way of the Panama canal in fifteen days.

"Councilman Lapham has a fine property in the valley," said Mr. Ball in discussing the visit. "The trees are in excellent condition and produced a large crop this year."

## GUESTS AT MONTE VISTA

Mrs. R. W. Meeker of 1320 East Colorado street, local chairman of the Monte Vista home, states that there are over fifty children from all parts of the county who are enjoying their vacation at this ideal mountain lodge. The grounds are now cleared off and work will soon be begun to beautify same. Playground apparatus is also being put in place.

### Miss Harriett Cook Gives Shower Behalf Mrs. Robert Burson

Miss Harriett Cook of 615 North  
Brand boulevard was hostess Wed-  
nesday night at a very pretty misce-  
laneous shower in honor of Mrs. Rob-  
ert Burson of 375 West Broadway.  
Mrs. Burson was formerly Miss  
Jessie Dutton, being one of Glen-  
dale's summer brides. A very pret-  
ty pink and white color scheme was  
carried out, pink sweet peas and car-  
nations combined with ferns making  
the rooms fragrant and attractive.  
Different games had been provided  
by the hostess and at the close of the  
evening dainty refreshments were  
served.

The guests who honored Mrs. Bur-  
son and showered her with innume-  
rable pretty things for her home and  
boudoir included: Miss Eileen Sul-  
livan, Miss Dorothy Hunt, Miss Amy  
Miller, Miss Evelyn Ashman, Miss  
Mildred Sternberg, Miss Abbey  
Chambers, Mrs. Delia Hapgood, Mrs.  
G. M. Howe, Mrs. Stella Sphear, Mrs.  
W. W. Dutton, Mrs. Daphne Mae  
Lyon, Mrs. A. Burson, Mrs. W. Tif-  
fany, Mrs. Bessie Omans, Mrs. Mae  
Burringham, Mrs. G. Peck, Mrs. C.  
A. Minter and Mrs. Fred Walton.

### Informal Recital to Be Given Tomorrow

At the second informal recital to-  
morrow afternoon at the Barnes-  
Shuck Music company, several re-  
quest numbers will be presented. Set  
program features are Rosa Ponselle  
in "Old Folks at Home," Pablo Cas-  
al's cello interpretation of Handel's  
"Largo," and Riccardo Stracciari's  
rendition of Massenet's "Elegie."

Popular music will be interspersed  
and to the vocal and instrumental  
selections will be added the inter-  
esting side-talk by Leslie Gordon.

The concert will begin at 2 o'clock  
and end at 5. At each recital, there  
will be a surprise number, and to-  
morrow's will be particularly ef-  
fective.

The public is welcome to these re-  
citals, and the success of the inau-  
gural one last Friday afternoon is a  
good indication of the appreciation  
of Glendale music-lovers for good  
music and the entertainment of Mr.  
Gordon's comments.

### PROMISE NEW SENSATION

LOS ANGELES, Aug. 18.—The  
Kennedy murder case today trembled  
on the verge of brand-new accusa-  
tions which are expected to entangle  
persons hitherto unconnected with  
the affair. "The mystery will be  
solved by Monday," Ralph R. Oben-  
chain, counsel for the defense, as-  
serted. "Madalynne and Arthur  
Burch will be free. Someone else  
will be behind the bars." Oben-  
chain refused to enlarge on his state-  
ment.

It is known that he has a corps of  
investigators and operatives bending  
every energy to round up the tangled  
leads in the case. Their identity has  
been kept secret.

Obenchain, however, admitted that  
they were not "shooting blind," but  
were working to build up proof of a  
definite theory as to what actually  
happened during the midnight hour  
at Beverly Glen, when John Belton  
Kennedy lost his life.

### SAVED BY LONG FLIGHT

NEW YORK, Aug. 18.—"Notify  
Dan Singer, Belleclair Hotel, New  
York City. Am lost in Hoodoo  
Mountains, Yellowstone. Send help,  
provisions, pack horses. Heller."  
This message, brought to New York  
by a carrier pigeon in a two-thousand  
mile flight from the desolation of the  
Hoodoo range to the bright light of  
Broadway was responsible for the  
starting of a relief expedition to find  
Dr. Edmund Heller, celebrated ex-  
plorer and friend of the late Colonel  
Theodore Roosevelt.

### W. C. T. U. Expresses View on Blue Laws, Brew, Rolled Socks

SAN FRANCISCO, Aug. 18.—  
The Women's Christian Temperance  
Union set itself straight today on a  
number of subjects—rolled down  
hose, blue laws, tobacco, home brew  
and some other things.

And, it developed, the W. C. T. U.,  
often reputed to be militantly against  
most everything, often isn't half as  
intolerant as it is painted. It will  
even tolerate half hose—that is for  
young people.

Dr. Valeria Parker, chairman of  
the morality board, and Miss Julia  
Deane, editor of the "Union Signal,"  
the temperance paper, both here for  
the national W. C. T. U. convention  
opening tomorrow, discussed a wide  
range of subjects in an interview.

Here, summed up, is what they  
said the W. C. T. U. national organ-  
ization thinks:

Home brew is a fad, nothing more.  
It won't last—something home brew-  
ers say they've noticed—but it is  
evading the law and hence disloyal.  
Bobbed hair is lovely on many  
girls and is clean and sanitary if  
washed regularly.

Blue laws are the work of the li-  
quor interest propagandists. The  
W. C. T. U. only opposes a "commen-  
cial Sabbath" and paid movies on  
Sunday.

Rolled socks is immodest, that is  
for adult women only. Men and  
babies are welcome to wear 'em  
short.

"Close contact" dancing is im-  
moral.

Tobacco is a mighty bad thing for  
the immature.  
And "over-sexed movies" surely  
rate a frown of disapproval.

### PLAGUE OF GRASSHOPPERS

PARIS, Aug. 18.—A great plague  
of grasshoppers, billions of them  
darkening the sky, is destroying the  
last vestige of crops needed for starv-  
ing Russia in the Samara and Sara-  
toff districts, according to reports  
reaching the Red Cross here. Dr.  
Georges Lodysensky, a delegate of  
the Russian Red Cross, has reported  
that five billion pounds of food are  
needed in the districts which are be-  
ing ravaged by the grasshoppers.  
Whole villages have been abandoned.  
Stragglers fall by the roadside and  
lie abandoned and unburied.

### RESIGNATION TALE DENIED

WASHINGTON, Aug. 18.—A  
growing report that A. D. Lasker has  
resigned as head of the shipping  
board met with a denial today from  
John C. O'Loughlin, executive as-  
sistant to Lasker. According to the re-  
port circulated Lasker told President  
Harding several days ago that he  
wished to give up his work, but Har-  
ding refused to listen. Yesterday  
Lasker wrote a letter of resignation,  
according to the report. O'Loughlin  
denied the report in detail and de-  
clared it was part of a propaganda  
being circulated to discredit the  
American merchant marine.

### CHECK FOR 1-CENT FINE

CHICAGO—A fine of 1 cent was  
imposed by Judge Landis on Meade  
L. Mayhew, charged with mislabel-  
ing an insecticide powder. He paid  
it with a check.

### WAS SHE UPON DIET?

CHICAGO—Mrs. Ella Levy should  
have been dead within twenty-four  
hours after she swallowed a hatpin,  
doctors said. The seven-inch pin  
was removed three months after she  
swallowed it and she will recover.

### NOW HE'S WRITING BOOK

WASHINGTON, Aug. 18.—Grover  
Cleveland Bergdoll, millionaire draft  
dodger, now supposed to be in Ger-  
many, is writing a book about his  
escape from the American military  
authorities. This was revealed to-  
day in the report of the house com-  
mittee which investigated his escape.  
Excerpts from a letter from Bergdoll  
to his mother in Philadelphia which  
was intercepted are included in the  
report. These contain Bergdoll's  
charges that there were several  
graffers involved in his case who  
should be exposed.

"We are writing a book which  
gives away the whole swindle from  
beginning to end," Bergdoll wrote  
from Eberbach, Germany, "and the  
American public will wake up when  
they read it in the near future. We  
made the Americans look like a  
bunch of boobs before the whole  
world. They are all laughing at  
them."

The first almanac printed in Eu-  
rope, which covered the years 1475,  
1494 and 1513, was published in  
Budapest.

### In Southern California

**Discuss Better Pictures**  
Scenes which should not be dis-  
cussed by young people are taboo in  
the movies, according to the censors  
of the nation's film plays who are  
now meeting in Los Angeles.

**Food Prices Decrease**  
Retail food prices in Los Angeles  
vicinity dropped 2.7 per cent during  
the month of July, according to of-  
ficial statistics just reaching the south-  
land. Wholesalers are getting 1.56  
less and farmers 1.75 less for their  
products. Other costs of living came  
down a little, too, it is noted.

**Sends Speeders to Jail**  
Five days in jail is being given  
speeders in Justice Baird's court in  
Los Angeles. And that in addition  
to \$50 fines. Motorists not wishing  
to waste five days had better watch  
a well-regulated speedometer. Pretty  
Marie Prevost is scheduled to face  
the music today.

**Woman May Take Office**  
Mrs. Mabel Walker Hillebrandt de-  
parted yesterday for Washington to  
confer with Attorney-General Harry  
Daugherty on her appointment as as-  
sistant attorney-general. Should she  
accept the office she will succeed  
Mrs. Annette Adams, the only woman  
member of the attorney-general's  
staff, also from California.

**Gets Money of Mystery**  
A package containing \$1000 in  
\$20 bank notes, thought to be a part  
of the missing funds of the Interna-  
tional Trust company of Denver, is  
in the hands of Ivan Kelso, attor-  
ney, in Los Angeles today. The  
money was turned over to Kelso for  
custody by Dr. George O. Morse, 75,  
retired physician. Dr. Morse is the  
father of E. F. Morse, missing cas-  
hler of the Denver institution.

"I received the money under sus-  
picious circumstances," Dr. Morse  
said. "Much as I need it, I wouldn't  
touch a penny until I am sure it is  
not part of the funds they say my  
son absconded with."

Attorney Kelso is conducting an  
investigation.

**This Judge Is Serious**  
Marjorie thought the judge was  
"only foolin'." She thought wrong-  
ly. So Justice Baird today issued a  
bench warrant for Marjorie Prevost,  
dainty film comedienne and sister of  
Marie Prevost of Mack Sennett fame,  
and sent a delegation of husky cop-  
pers out Hollywood way to serve it.  
Marjorie, it is alleged, was loitering  
along Washington boulevard in a  
new speedster at about 200 miles an  
hour, according to the consensus of  
opinion of the rest of the traffic,  
which was forced to take to the side-  
walks for safety. She failed to ap-  
pear in court on schedule to explain  
it to the judge. Hence the warrant.

Findley attributes his victory to  
not only his weight but the aid of  
John Parker, his mechanic, and be-  
fore the wagon started down hill on  
its winning trip everything was ship  
shape.

Spectators declared it was only  
another demonstration of the law of  
gravity for Findley outweighed all  
competitors. Naturally he arrived at  
the bottom of the hill first.

### Invitation to Ride In Oldsmobile Auto

In an interview with Peurrung and  
Pollock, Oldsmobile agents, who are  
temporarily located at 721 East  
Broadway awaiting the completion of  
their new salesrooms, they state  
some very interesting facts in con-  
nection with the enthusiastic reception  
with which the Oldsmobile four-cyl-  
inder car has been given.

The following invitation has also  
been extended by them to all persons  
interested in automobiles:

"The aim of the Oldsmobile four  
was to build at a modest price a four-  
cylinder car that would instantly be  
accepted as a better standard of qual-  
ity and performance. See and ride  
in the car. Drive it yourself. Try  
its speed and comfort on good or bad  
roads. Try its handiness in the  
maze of the traffic—driving or park-  
ing.

"Note its characteristic Oldsmo-  
bile beauty—its pleasing lines, its  
sane design—its permanent style.

"Had we a moment's doubt as to  
the outcome we could not so confi-  
dently invite your judgment of its  
superiority along such definite  
lines."

In a discussion as to the superior-  
ity of this model Oldsmobile, Mr.  
Peurrung continued as follows:

"One look at the sturdy seven-inch  
frame with its stout cross members  
is enough to assure you that the  
Oldsmobile Four is built for rugged  
endurance.

"You are not surprised at its rid-  
ing ease when you notice the extra  
long springs that cradle this car low  
for better balance.

"These outward signs of strength  
and comfort suggest the unseen  
goodness that begins to impress you  
the minute you touch the throttle.

"Then, indeed, do you appreciate  
why so many people have emphatic-  
ally revised their ideas of value since  
they began to drive this attractively-  
priced four-cylinder Oldsmobile."

### Many Lonely Ones In U. S., Figures Show

WASHINGTON, Aug. 18.—"In-  
sufferable loneliness" of the un-  
married state now enfolds more than  
1,600,000 women and men over  
forty-five years of age, it is shown  
in reports of the United States cen-  
sus bureau. "Insufferable lone-  
someness" was the term used by Dr.  
George P. Harding, father of Presi-  
dent Harding, in explaining his mar-  
riage at seventy-six to Miss Severns,  
fifty-two.

More than 100,000 men of about  
Dr. Harding's age period now are  
listed as bachelors, the official rec-  
ords show. A nearly equal num-  
ber of women sixty-four years of age,  
or more, also are unmarried. And a  
still larger number of men and wom-  
en over fifty are without mates as a  
result of divorce or death.

These figures are preliminary es-  
timates of 1920 census returns based  
on partial returns of the recent cen-  
sus and proportions obtained in the  
preceding census. The official re-  
turns compiled by the census bureau  
will not be available for several  
months.

There are now in the United  
States approximately 965,000 men of  
forty-five years of age or more who  
never entered matrimony. For the  
corresponding age group, the num-  
ber of unmarried women is approxi-  
mately 712,000.

### Melodrama Picture Is Palace Grand Feature

Based on Thompson Buchanan's  
successful melodrama which created  
a theatrical sensation in New York  
in 1914, "Life," a William A. Brady  
production for Paramount, will be  
shown at the Palace Grand theatre  
for three days, beginning today. This  
melodrama picture was produced in  
New York recently and is declared  
by press and public to be one of the  
strongest pictures of the season.

"The Golden Snare," David M.  
Hartford's third production for Asso-  
ciated First National release, will be  
the second screen attraction at the  
Palace Grand, beginning today. The  
story is from the pen of James Oliver  
Curwood, that master writer of out-  
door tales. Lewis S. Stone and Ruth  
Renick have the leading roles.

This combination of two great  
features is Manager Fleming's best  
offering by the T. D. & L. circuit—  
real bargain attractions at regular  
prices.

The longest recorded flight of a  
carrier pigeon was from Pensacola,  
Fla., to Fall River, Mass.

### IRELAND CANNOT ACCEPT DUBLIN, Aug. 18.—"We cannot

and will not accept the British gov-  
ernment's terms," Eamon De Valera  
told the Dail Eireann today. Ad-  
dressing the Sinn Fein parliament to-  
day the republican president de-  
clared: "There seems to be some  
doubt in the press today after my  
speech of yesterday as to whether  
we accept or reject the terms of  
offer by Lloyd George. There  
should be no doubt in anyone's mind.  
We cannot and will not on behalf of  
this nation accept those terms. There  
is an Indian proverb which says,  
"Fool me once, shame on you; fool  
me twice, shame on me." The Irish  
people are not going to be fooled  
this time. I would willingly suggest  
that the Irish people give up a good  
deal to free themselves from future  
external trouble." De Valera con-  
tinued: "There is no enmity felt in  
the south towards the people of the  
north. We are ready to give them  
every reasonable safeguard."

An Evanston, Ill., man won a bak-  
ing competition from forty-five wom-  
en at a county fair. Forty-six loaves  
of bread were tested by well-known  
dietitians and experts, and all agreed  
the man's loaf was the best.

### Disastrous Season In Sport by France

By EDWIN M. HULLINGER  
United Press Staff Correspondent  
PARIS, Aug. 18.—Defeat of Mlle.  
Suzanne Lenglen in the American  
women's tennis championships, the  
last and perhaps the worst blow of  
a disastrous sport season, has left  
France almost in despair.

When Carpentier went down be-  
fore Jack Dempsey France took the  
jolt to her national pride rather philo-  
sophically with the consolation—  
"We still have our grand Suzanne."  
Paris could hardly believe that the  
wonderful little maid of the courts,  
the super woman of tennis, had met  
defeat from an opponent whom she  
so easily defeated earlier in the sea-  
son.

From the start of the season,  
France has suffered a succession of  
sport reverses.  
The English horse, Lemonora, won  
the grand prix. The Belgian Scieur  
won the Tour De France bicycle race.  
The Britisher Bennett won the grand  
prix motorcycle race. Jimmy Mur-  
phy, American, won the grand prix  
automobile race.

## MAKE 3500 MILES WITH AUTO INTO OREGON HILLS

Mr. and Mrs. W. F. Wood and  
Son Dale Back From a  
Most Pleasing Trip

"Glendale looks good to us." So  
say Mr. and Mrs. W. F. Wood and  
son, Dale, who have just returned  
from a thirty-five hundred mile auto  
trip that took them as far as Port-  
land, Oregon.

The Woods left Glendale on the  
twenty-third of June and arrived at  
Eugene on July 1. It is the home of  
their daughter, Hazel Williams and  
family. Her husband, Dr. R. J. Wil-  
liams is a professor of chemistry at  
the University of Oregon there.

The Wood family reports that dur-  
ing their month's stay in Oregon the  
weather seemed made to order. Dur-  
ing this time it didn't rain once nor  
did the thermometer rise above 90  
degrees.

A three-day trip to Portland and  
the Columbia river was taken by both  
families. Mr. and Mrs. Wood de-  
clare that the trip up the Columbia  
river is more beautiful than Grand  
Canyon. The party had lunch at  
Hazelwood Inn by the Multnomah  
falls which are 640 feet in height.  
They motored fifty miles up the Co-  
lumbia to Cascade Locks which made  
a very enjoyable day's outing. Ever-  
ybody in Oregon, especially at  
Portland, is boosting most heartily  
for the world's fair to be held in that  
city in 1925.

### Several Trips Are Taken

Returning to Eugene several trips  
were taken up the Willamette and  
McKenzie rivers and other nearby  
points.

Dale Wood reports the fishing as  
fair but he says he didn't have the  
opportunity to take any fishing  
trips.

On the homeward trip Crater  
lake was taken in. Mrs. Wood says  
that this is the most beautiful spot  
visited during their trip.

Trout have been planted in the  
lake by the government and young  
Wood caught the limit of five. But  
inasmuch as they are seventeen  
inches long he says they made a  
good mess.

From Crater lake they retraced  
their steps as far as Redding, Cali-  
fornia, when they crossed the moun-  
tains to the coast.

All three admit that Oregon was  
very beautiful, in fact more so than  
they had expected, but still they con-  
tend that the trip from Redding to  
the coast was the prettiest part of  
their trip. They drove for two days  
through the redwoods, following  
down the north fork and up the south  
fork of the Eel river. This route  
brought them through Ukiah and  
Santa Rosa, where they drove by  
Burbank's gardens.

They visited the Reeds and Lat-  
ters, formerly of Glendale, at Oak-  
land, who send their kindest regards  
to their many friends here.

### Dale Wood at Wheel

Santa Cruz was the next point of  
interest visited by the Wood family  
and from there they drove on down  
the coast stopping at Ventura and  
Oxnard to visit relatives.

Dale Wood, who acted as chauff-  
eur, says that there was paved  
highway as far as Red Bluff ex-  
cept where they purposely left it at  
Marysville to visit relatives in Meri-  
dian. From Red Bluff to Redding  
there were detours and rough dirt  
roads and although there was no  
more pavement in California the  
road was very good from Redding to  
the Oregon line except for a little  
dust.

The road is paved for about the  
first 200 miles in Oregon and from  
there on to Salem there are only  
short strips of highway done, thus  
there are many detours but no very  
bad ones.

The road from Salem to Portland  
and the Columbia highway were ex-  
cellent, as good or better than Cali-  
fornia highways.

The road to Crater lake was not  
paved and bad in spots, but very  
good for a mountain road.

The road from Redding to the  
coast, though very smooth, is nar-  
row and crooked, with grades as  
steep as 23 per cent. There was  
no paved highway north of Santa  
Rosa.

Although they wouldn't care about  
joining a gypsy band right away, still  
the Wood family say that they en-  
joyed their two months of "gypsy-  
ing" a great deal.

### LOOK FOR 'GOOD KILLERS'

NEW YORK, Aug. 18.—New York  
detectives took up the search today  
in a dozen cities for members of the  
"Good Killers." The search began  
after Bartola Fontana, a barber, ad-  
mitting a murder committed by him-  
self, implicated a band of six alleged  
hired assassins in sixteen killings.  
Seven victims fell in New York and  
nine in Detroit, Fontana said. Un-  
folding the plots and machinations of  
the gang, which he said earned the  
name of the "good killers," Fontana  
said its career began with a murder  
in Brooklyn fifteen years ago. From  
that murder sprang a line of stab-  
bings and poisonings which made  
the gang all powerful in the Italian  
underworld and brought it hundreds  
of thousands of dollars.

## Harry Carey's Picture Glendale's Attraction

There is something romantic about  
a rain-soaked night with the head-  
light drilling a glowing hole in the  
darkness. Such a scene adds to the  
dramatic force and the artistic ap-  
peal of "Desperate Trails," Harry  
Carey's Universal feature which is  
showing at the Glendale Theatre.  
The story was written by Courtney  
Ryley Cooper and directed at Uni-  
versal City by Jack Ford.
